From the Myz: Comr: in Mysore,
letter no. C. 1138 of 22 23 & 26 & 24

Recommends that the lands in Somanathapur & Beltur villages in the Krishnarajpet Taluk, measuring 52 ac-14g under the mandagere channel may be granted to the temple.

2 In para 3 of G.O. No: 1446-7/Myz dt 25-23-11 & 16-4-24, ~~lands~~ 50 acres of wet land subject to a maximum market value of Rs 5000 were ordered to be selected and granted to the temple.

3. 52 ac-14g under the mandagere channel in the Somanathapur & Beltur villages of the Krishnarajpet Taluk have been selected for being granted to the temple.

4 The Myz: Comr: raises the question whether the lands should be granted free of cost - Though it has not been expressly said so in the Govt order referred to, the intention of Govt appears to be to make a free gift - It may, perhaps, be noted here as a precedent that 100 acres of land were granted, free of cost and assessment, to the Sri Bhammudeswari temple at Mysore, in the Rev: Dept.

Final Note by the First Member of Council.

Subject:—
Grant of lands to the Sri Chennakeswara Swami Temple at Belur.

As was submitted in para 3 of my final note of 22nd March 1924 the Muzrai Commissioner was requested to place himself in communication with the Deputy Commissioner of Mysore and submit proposals for the grant to the Sri Chennakesava Swami temple of Belur of about 50 acres of land (subject to a maximum market value of Rs. 5000/-) fit for wet cultivation under the new Krishnaraja Sagara channels.

The Muzrai Commissioner accordingly recommended in his letter No. C.1138/22-23 dated 26th September 1924 the grant to the temple, free of upset price, of two blocks of land measuring on the whole 52 A.-14G. under the Mandagere channel in the Somanathpur and Beltur villages, Krishnarajpet Taluk.

The market value of the above lands being Rs. 10,000, the question of granting one of the two blocks valued at about Rs.5000 was considered in Council. In view of the difficulty and inconvenience that the temple authorities would experience in arranging for the cultivation of the lands situated in a different District and for the transport of the produce to Belur for the temple use, the Muzrai Commissioner was requested to ascertain and report whether an additional cash grant to the temple would not be preferable to the grant of the lands situated in a distant Taluk of another District. He replied in his letter No.C.13/24-25 dated 24th February 1925 that the Dharmadashis wanted only lands and not additional cash grant and that they also wanted the local officers in the Mysore District to arrange for the cultivation of the lands and for the produce being transported to Belur.

On this, I expressed it as my opinion in my minute dated 31st March 1925, that the local officers in the Mysore District should not be saddled with the duty of arranging for the cultivation of the lands and collecting the produce and transporting it to Belur, as proposed by the Dharmadarshis and that as the temple authorities could not make their own arrangements in this respect, it would be better to drop the question of the grant of land in the Mysore District to the temple and wait till suitable lands can be found in the Belur Taluk itself for the purpose.

The Dewan having thereupon ordered that the matter might be considered in Council, it was discussed at the Council meeting held on the 1st May 1925 and it was resolved that, pending the selection and grant of suitable lands in the Belur Taluk itself, a temporary cash grant of Rs.200 per annum from Muzrai Funds may be made to the temple.

The resolution of the Council may be graciously approved. The additional cash grant of Rs. 200 per annum which will be met from the interest earnings of the General Muzrai Fund may be sanctioned temporarily for a period of three years within which time the Muzrai Commissioner will be asked to submit proposals for the grant to the temple of suitable lands in the Belur Taluk itself in lieu of the cash grant.

Sir,

With reference to your letter C.No.415/25-23 dated 17th September 1924 regarding thegrant of lands to the Sri Chennakesavaswami ---- temple at Belur, I have the honor to submit herewith copy of letter -- R.H.C.No.766/23-24 dated 19th September 1924 together with its ---- enclosures received from the Deputy Commissioner, Mysore District --- reporting on the availability of land under the new channel in the District and recommending that the lands in Somanathapur and Belur -- villages of the Krishnarajpet Taluk measuring 52a 14 G under the --- Mandagere Channel may be granted to the temple.

2. From the wording of para 2 of Government Pro.No.1446-47/M.F.25-23-11 dated 16th April 1924 and subsequent correspondence it seems -- that it is the intention of Government to make a free gift of the lands to the temple without recovering any upset price therefor.

Letter No.R.H.C./60/24-25 dated 10th September 1924 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"In continuation of this office letter No.R.C./760 of 23-24 dated 23rd July 1924, regarding the grant, under the new channels, of A.50-G.0 of wet land in this District, to Sri Channakesava Swamy temple at Pelur, Hassan District, within a market value of Rs.5,000 I have the honor to state that the Amildar of Nedatore Taluk in his No.35 dated 30-7-1924 reports that 3 blocks of lands as particularized in the statement appended in the Narogowdanahalli village of his taluk are available for grant, that the value of these lands cannot be estimated at less than Rs.200/- per acre, that it costs the temple not less than Rs.100/- more per acre, to bring these lands under wet cultivation that the soil is stoney, that ap reciable yield cannot be expected from these lands and that in the interest of the institution, this is not a profitable investment.

2- But the Sub Division officer French Rocks in his letter No. R.H.C.40 of 24-25 dated the 6th instant, states that under the Mandag Channel in the Krishnarajapet Taluk, there are 2 villages viz., (1) Somanathapur and (2) Beltur where the required extent of 50A-0G of -- land might be selected in 2 blocks, measuring 27-A-36G and 24A-1&G respectively, A statement showing the particulars of S.Nos.etc., to available in each village together with 2 sketches showing the positi of these blocks with other particulars are herewith forwarded. The market value of these lands is estimated at Rs.200/- per acre and they may advantageously be purchased, and granted for the temple in question. Since the lands are intended to a renowned Muzrai ----- Institution, the rate of upset price of market value may be reduced to such an extent as Government may deem necessary.

Sir,

With reference to your letter No.838/M.F.25-23-14 dated 4th December 1924 re grant of lands to the temple of Sri Chennakesavaswami at --- Belur, I have the honor to state that I am also of opinion that it would be better to sanction a suitable additional cash grant to the temple instead of making a free grant of lands, as it would not be possible for the temple authorities to arrange satisfactorily for the cultivation of the lands and for obtaining the produce th
a different Taluk.

2. The enclosures are resubmitted.

Sir,

With reference to correspondence ending with your letter No. / M.F.25-03-16 dated 16th December 1924 regarding the grant of lands to the Sri Chennakesavaswami temple at Belur, I have the honor to forward herewith copy of letter I.C.No.190-21 dated 10th February 1925 from the Deputy Commissioner, Hassan District, submitting a copy of the proceedings of a meeting of the Dharmadarsis held on 30th January 1925 ---- desiring that the lands already selected may be made over to the temple instead of enhancing the cash grant as now contemplated.

The resolution goes fully in the matter and details the arrangements to be made for bringing the lands under cultivation and for --- conveying the produce to the temple.

2. I am of opinion that, as the grant of lands has all along been under consideration and as the same is also wished for by the Dharmadarsis and as grant of the lands will be more appreciated by the temple authorities than any fixed additional grant, the lands selected by the Deputy Commissioner, Mysore District, may be granted to the temple free of upset price- On receipt of Government orders necessary further -- action will be taken in consultation with the Deputy Commissioners of Mysore and Hassan Districts.

3. The file of vernacular papers is enclosed.

It was reported that two blocks of lands in Samnathpur and Bellur villages of the Krishnarajpet Taluk measuring 52 A 14 Gunthas the Mandayam Dharmada were available.

The market value of the lands proposed by the Mysore Govt. being Rs. 10,000. the question of granting one of the two blocks valued at about Rs 5,000 was considered. In view of the difficulty and inconvenience that the temple authorities would experience in arranging for the cultivation of the lands situated in a different district and for the transport of the produce to Belur for the temple use, the Mysore Govt. was requested to ascertain and report whether an additional cash grant to the temple would not be preferable to the grant of the lands situated in a distant taluk of another district. He replied that the Dharmada

ORDER No. 1837-8—MUZ. 25-23-18, DATED 19TH JUNE 1925.

In para 2 of the Government Order read above, the Muzrai Commissioner was requested to submit proposals in consultation with the Deputy Commissioner, Mysore District, in the matter of the grant to the temple of about fifty acres of wet land (subject to maximum market value of Rs. 5,000) under the new channels in a suitable locality in the Mysore District.

2. It was reported that two blocks of land in Somanathpur and Beltur villages of the Krishnarajpete Taluk measuring 52 acres 14 guntas under the Mandagere channel were available. The market value of the lands proposed by the Muzrai Commissioner being Rs. 10,000 the question of granting one of the two blocks valued at about Rs. 5,000 was considered. In view of the difficulty and inconvenience that the temple authorities would experience in arranging for the cultivation of the lands situated in a different district and for the transport of the produce to Belur for the temple use, the Muzrai Commissioner was requested to ascertain and report whether an additional cash grant to the temple would not be preferable to the grant of the lands situated in a distant taluk of another district. Pending the selection and grant of suitable lands in the Belur Taluk, Government are pleased to sanction a temporary additional cash grant of Rs. 200 (two hundred) per annum to the temple for a period of three years from 1st July 1925 the charge being met

from the interest earnings of the General Muzrai Fund. The Muzrai Commissioner is requested to report how this additional grant is proposed to be utilised. The Deputy Commissioner may be instructed to submit, before the expiry of the above period, proposals for the grant to the temple of suitable lands in the Belur Taluk itself in lieu of the cash grant now sanctioned
